

CHENNAI PORT TRUST
(TRAFFIC DEPARTMENT)
CIRCULAR

No.03/016/2018/TO

Date: 16.02.2018.

Sub: Maintenance of Port Roads & Yards – Dumping of
Wastages by the User agencies inside Port area –
– Circular – Reg.

It has been observed that some of the Port Users are still continuing the following violations, thereby creating environmental issues and warranting action against them to avoid recurrence of the same.

1. Wooden planks, MS packing sheets, grain wastes and used tarpaulins & gunny bags are scattered in and around the berths, Cargo handling areas and plots allotted to them, which is a violation to the Trust's Swachh Bharat Abhiyan movement.
2. Wastages/Debris generated while handling ship and at the plots are dumped un-authorizedly inside the Port area, in particular along coastal road and adjacent area, which is in violation of Solid Waste Management Rules 2016.
3. Spillages of cargo along roads are not cleared by the Agents then & there, which results in dusty condition of the road.
4. The Truck crews are repeatedly dumping their food & other waste materials along road side indiscriminately.
5. The Tank farms are dumping unwanted materials & Oil slush, nearby the kerb wall / walkway, causing slippery nature to pedestrians.
6. Residual Oils from containers are poured into the drains, which causes plugging of drains.

Hence, the Members under your respective forum shall be instructed to avoid the aforesaid violations. The Port Users shall instruct their Representatives / Supervisors to check the above during their routine duties and ensure cleanliness Inside the Port.

In this regard, erring Port Users, if any, shall be fixed for the responsibility and incur the liability cost. Kind Co-operation from the Port fraternity is solicited, in order to comply with the Trust's Mission on Swachh Bharat Abhiyan movement.
